We are now offering Individually Directed Retreats in addition to our facilitated 2-night Retreats.

Come when your schedule allows.

Sunday is clearly not a Sabbath Day for everyone...

Busy with preparations to serve their flock and minister to others, many pastors, pastoral leaders and ministers find the many demands of ministry prevent them from taking time for themselves.

The Sustaining Pastoral Excellence Program invites pastoral leaders—lay and ordained of all Christian denominations—to attend one or more "Sabbath Time Retreats" during the year. You choose whether you would like to attend a traditional Sabbath Time Retreat (a facilitated 2-night retreat) *or* an Individually Directed Sabbath Time Retreat (which could be just one day or several nights) - you decide.

These retreats offer pastoral leaders an environment of prayer, worship and rest for their pursuit of excellent pastoral ministry.
